

RACER'S BUNDLE

1/8 Scale Nitro Bundle

Team Associated RC8B3
or
Tekno RC NB48.3

For a limited time purchase a Team Associated RC8 B3 or Tekno RC NB48.3 1/8 nitro buggy and receive all the running gear including: Engine, tuned-pipe, (1) quart race fuel, (2) hi-torque servos, 2-cell receiver pack and glow igniter.

ONLY \$650

AMain Performance Hobbies is offering racers a \$1,407.18 nitro 1/8-scale off-road race package for \$650. This type of savings is unheard of! Buy one of the qualifying race kits which includes the listed running gear.

This limited time special is intended to get you out to the racetrack – Silver Dollar R/C Raceway. You'll only need a receiver for your current radio and to assemble the kit. That's it!
